Francesc Xavier Maymó Gatell

Director

He is a member of the boards of directors of MoraBanc and MoraBanc Asset Management, of which he is chairman. He also serves on the boards of directors of the Boreal Capital Management subsidiaries in Miami and Zurich. He actively participates in decision-making, investment monitoring and project analysis. In addition, he is CEO of the Morsa Group, the *single family office* of the Mora-Sagués family.

Granted a scholarship by the bank "La Caixa" and holder of a PhD in Microbiology from Cornell University, he published numerous technical papers (as for example in Science) and scientific dissemination articles throughout a rewarding career in science. His choice of career in the financial and banking sector started at McKinsey & Company, following which he was the managing director of Corporate Investments Crèdit Initiatives at the Crèdit Andorrà group and a managing director at the wealth management firm Fimarge.

Growing up in Barcelona and Altafulla, he has lived in Andorra for 20 years. Married and the father of two children, he enjoys family time, nature, sport and writing (he has published five books as a result of this pastime).
